There are a lot of interesting things about the Institute. The teaching pedagogy is great like lectures, presentations, activities etc. Overall, I am proud to be a part of ISMRB-School.

Jagruti Patel (Assam)

One of the most important thing which has attracted me towards this institute is the two-way interaction between the faculties and the students which are beneficial for the students.

Akhil Pillai (Ahmedabad)

ISMR B-School does not believe in treating you students bookish knowledge, rather, it enforce students to do their best through their ability and creativity. My experience at ISMR B-School has been awesome.

Mariyam Dokka (Pune)

The different teaching pedagogy is the best part about ISMR B-School for eg. We learn management lessons through Indian style of teaching and through Panchatantra stories wherein we sit on floor on folded legs creating the gurukul atmosphere.
