Why ABM in ISMR?

"Agribusiness" refers to the range of activities and disciplines encompassed by Modern Food Production And Substantial Growth is expected in Agro Industry rewarding career opportunities for managerial professionals.

ISMR B – School’s Agriculture business management course is a specialised two-year PGDM programme which focuses on business aspect of agriculture production and its international trade. The postgraduate course aims to craft professional business leaders and entrepreneurs in food, agriculture and allied sectors.

Education and training skills are imparted in the students for taking up the managerial responsibilities for managing Agro-industry.

The Agribusiness Management program focuses on system-wide business and managerial functions performed by organizations throughout the agribusiness sector, acquiring sufficient operating skill in using modern management tools and techniques in different functional areas of Agribusiness.

Encouraging entrepreneurial spirit in students: to make them effective in the Agriculture–enterprise sector.

ISMR B – School has uniquely designed programme which shape professional to work in food and agro business sector or as agripreneurs in the evolving market.
